Agreement on Joining Music Education Alliance for “One Belt, One Road”

We strongly believe that music possesses an immense power in creating a link in communication for mankind: it is to this end that we contemplate the establishment of a Music Alliance between regions along the “One Belt, One Road”. With this alliance we aim for promoting exchange and collaboration among tertiary music institutions, especially in organizing ventures in the preservation of traditional music, composition of contemporary music, performance, research and education in music.

Соглашение об альянсе музыкального образования «один пояс, один путь»

Мы уверены, что музыка обладает огромной силой в создании моста общения. Именно с этой целью мы создаем альянс музыкального образования «один пояс, один путь», направленный на укрепление содействия обмену и сотрудничеству между музыкальными учреждениями прилегающих к «один пояс, один путь» стран, проявление своей роли в сохранении традиционной музыки, творении современной музыки, музыкальном исполнении, исследованиях и образовании.
